

service level comparison

We're proud to offer market-leading service, delivered by an in-house team that truly understand you and your business.

With the complexities surrounding your HR and Health & Safety responsibilities, it's important to have a partner that can work alongside you, truly understanding your business and delivering exceptional service to help your business thrive and grow.

We've highlighted here some key areas where we believe we can add significant value to your business when compared with our competition.

service comparison

major competitors

✓	face-to-face relationships	✗
✓	no call centres	✗
✓	up to 20% lower cost than market average	✗
✓	comprehensive & bespoke site audits with action plan	✗
✓	flexible contracts	✗
✓	unlimited telephone advice line	✗
✓	discounted additional services	✗
✓	free document template library	✗
✓	free guidance & webinars (live & pre-recorded)	✗

This guide gives you an insight into our commitments, compared with the general service you can expect from our major competitors.

With all the resources of a multi-national operator paired with a commitment to local, face-to-face service, we're confident we're best placed to work alongside you to truly understand your business and deliver the best results to help you and your team succeed.

additional services

In addition to our service promise, we have partnered with a handful of complementary partners who offer Employee Wellbeing, Commercial Insurance & High Net Worth Insurance. They are committed to delivering the same exceptional service we promise to you, at competitive rates.

Ask our team to find out more & get in touch with our partners.
